Omaha, NE 68138

Dear Alan,

Congratulations on receiving the Insulating Concrete Form Association's Excellence Award for Large Commercial Project as well as the Grand Commercial Project for 2007. Your achievement in creating a theatre that can hold the title of 'the largest ICF building in the United States' is an incredible feat and is to be commended. To be recognized at the ICFA's conference is a significant accomplishment as only seven awards are presented each year.

As a sign of our gratitude for your use of Reward Wall Systems in the Megaplex 20, please accept this statue with our compliments. We value the relationship developed through this project and look forward to working together again.

All the Best,

A handwritten signature in black ink, appearing to read "Edward L. Storm". The signature is fluid and cursive, with a large initial "E" and "S".

Edward L. Storm
President
